The crime of attempted voluntary manslaughter in violation of sections 192(a) and 664 of the California Penal Code, which requires that a defendant act with the specific intent to cause the death of another person, is categorically an aggravated felony crime of violence under section 101(a)(43)(F) of the Immigration and Nationality Act, 8 U.S.C. § 1101(a)(43)(F) (2012), notwithstanding that the completed offense of voluntary manslaughter itself is not such an aggravated felony.
